Priority of Access

The Australian Government has determined Priority of Access Guidelines for allocating places in child care services. These guidelines set out the following three levels of priority:

Priority 1-a child at risk of serious abuse or neglect.

Priority 2-a child of a single parent who satisfies, or of parent who both satisfy, the work / training / study test under Section 14 of the Family Assistance Act.

Priority 3-any other child

<u>Priority 1</u>	<u>Priority 2</u>	<u>Priority 3</u>

Please indicate in box which priority you fall in :

Children in Priority 3 (non working families) will only have a guaranteed place on days where there is no waiting list, spots will be given to Priority 1 and 2 before Priority 3.

Please note: Outside School Hours Care & Vacation Care is primarily for school children and where sessions are booked out prior to Monday 18th September, priority will be given to school children above children who have not yet started school (Preschool).

Families of Priority 1 or 2 booking after 18th September will not be given priority over children already booked in
