

Littlehampton Primary School & Preschool

Music at Littlehampton

We are proud to offer a classroom music program in line with the Australian Curriculum. This program is complemented by instrumental music tuition, a school band and school choir. Our music program is a highlight program in our school.

MUSIC

Littlehampton has an alive, vibrant music program that is valued and embraced by the school community. The music program at Littlehampton is a developmental program which enables students to develop their music skills in reading, writing and creating music in an enjoyable and fulfilling way.

Classroom Music:

All classes from reception to year 5 have music lessons with a specialist music teacher each week. Students from reception to year 3 have two lessons per week and students from year 3 to year 5 have one lesson each week.

During these lessons students develop their music skills through singing, movement, dance, listening, playing instruments, creating their own music and performing.

Students use and are taught a variety of instruments during these lessons including both tuned and untuned percussion instruments, recorder and ukulele.

Instrumental Music:

Students can learn a musical instrument from a private music tutor.

These lessons are held during school time and parents pay the private tutors for their tuition.

Instruments can be hired in negotiation with the private tutor or through a music hire company.

Currently private tuition is offered for drums, keyboard/piano, guitar, flute, clarinet, trumpet and saxophone.

Band:

The school band practices once a week and performs at school assemblies each term as well as the Music Showcase and other school and community events.

Choir:

Students in years 5,6,7 have the opportunity to be a part of the school choir. The choir participates in the Public schools Festival of Music held at the Festival Theatre each year. They also perform at the Music Showcase, Anzac Day service and other school and community events.

Music Showcase:

All classes perform in the Music Showcase which is held over two nights every alternate year. This is a wonderful evening embraced by the whole school community and showcases music at Littlehampton school.
