TD Day for all staff

Friday 6th July
Fundraising Forum
Sports Theme/Casual Day
Fundraiser

Friday 6th July
Last Day of Term 2
Assembly 1.45pm
Early Dismissal 2.15pm

Wow what a day Littlehampton had at District Cross Country Day on Tuesday 22nd May. It was a day where all the commitment, grit and training by 34 Littlehampton Primary School athletes paid off. They were rewarded for their efforts by contributing to Littlehampton winning the championship for Barker.

I was so proud and happy for all the athletes. The shield was very well deserved. As well as whole team success we had a number of individual placegetters and won ribbons in 5 out of 6 team events which we qualified for.

Congratulations to the following students for achieving ribbons in the individual category:

1st Place: Allegra Scamoni (10 Girls)
Asha Marshall (13 Girls)

2nd Place: Emmy Roach (13 Girls)

3rd Place: Sophia Dvorak (13 Girls)

In addition to these 4 girls qualifying for State Day the following students will also be rewarded with an invitation to participate as a result of placing in the first 6 in their age group: Ashton White, Tyler Usher (even with a broken arm), Beau Kelly, Chloe Davis, Judd French and Summer Henderson. 10 students qualifying for State day is a very successful result for our school.

The teams who were successful in gaining ribbons were:

13 Year Girls: 1st Place: Asha Marshall, Emmy Roach, Sophia Dvorak

10 Year Girls: 1st Place: Allegra Scamoni, Chloe Davis, Alicia Gevers

10 Year Boys: 2nd Place: Beau Kelly, Ethan Schultze, Elijah O'Keefe

11 Year Boys: 3rd Place: Tyler Usher, Judd French, Connor Blakemore.

12 Year Boys: 2nd Place: Ashton White, Jeremy Shepherd, Noah Dunn

Thank you to Alison Bishop and Kerry Marshall for helping out on the day and for all the families who came along to support the students.

Sara Weston's Classroom News

The Year 3/4s in Room 9 were asked to write a paragraph about the highlights of their year. Here are some for you to read.

School : In maths, we learnt about money. Money is called dollars and cents. These are the symbols \$ and c. I learnt about adding money also. Example: \$2.25 + \$10.75 = \$13. **By Max Hartshorne**

What I Learned: This year I learned how to play speedball. Speedball has one goal keeper on each side and footy goals. One ruckman is on each side. A goal is worth one point and when someone scores a goal, the umpire chooses a different ruckman for each side. Only the goal keeper can kick footy style and can swap whenever he/she wants. **By Samuel Grant**

In Forums: I have learnt to co-operate with older and younger children. I have learnt how to successfully make popcorn, add icing sugar and salt and mix everything together and also, bag popcorn. I have learnt how to make paper bags with big pieces of newspaper. In forums, we have also learnt about curiosity and we were curious about what was under our tea towel. I enjoyed making popcorn, playing games and making new friends. **By Lily McDonald**

Tasma and I

Every Monday, I go with Tasma and she teaches me about my culture. Lately, we've been talking about reconciliation and what it means to us. Littlehampton was actually one of the schools that got chosen to go to an event about Reconciliation Week. It was great seeing everyone involved. **By Keira Trevorrow**

I like school because of the fun days like Harmony Day and Sports Day. Homework gets in the way sometimes but every time I learn something from my homework and it comes in handy sometimes. Visible Learning is always helpful surprisingly. **By Riley Love**

What I Have Learnt About Art

I have learnt art. It is very fun. I learn about drawing, painting, colouring and packing up. I like art because you get engaged in your work. You have fun and, if you make a mistake, the art teacher will help you fix it up. That is why I like art. **By Isla Shephard**

My SAPSASA Event: Last term, in PE, I got into our school SAPSASA team and went to Oakbank for high jump and the relay. I learnt that if you want to get into something that you enjoy doing, then you have to try, not just hope you get in when you have not even tried. You also have to give it your best even if you are coming last. **By Nina Schmidt**

Music: In ukulele, we have learnt how to pick “Apple Tree”. We’ve learnt to name the strings and we’ve learnt to strum a number of songs with F chord and C chord. At the moment, we are learning jazz. **By Aster Cassidy**

When I grow up I would like to go to the gym and have 20 000 dollars in the bank. My job would be a star force captain. To achieve this I will need to be gritty and brave. I will need to work hard and show determination. I will need to save my money. **By Charles Pallant**

Art: In art this year, I’m liking art better than last year. This year, we have a different art teacher. Her name is Ms Mant. We have done so many fun things. There is a really fun activity called “resist”. Resist is where you have oil pastels and you do one part of the drawing with cool colours and one part of the picture with warm colours. Then you paint lightly over the whole thing and the paint ends up on the bits you left white. That is resist. **By Charlie Demasi**

When I grow up I would like to be a strict but kind dad. I will be fair and understanding. A person who would go out of my way to help friends and family. To do this I will be kind and loving to everyone. I will be self aware and understanding and I will help everyone when they need me. **By Gus Brown**

Lynne Asquith’s Classroom News

Lynne Asquith’s year 4/5 class were asked to write a response to the question: **“What sort of an adult would you like to be when you grow up and what will you need to do to achieve this?”**

The insight and beauty of some of their answers was inspiring.

I would like to be a kind guy with some sort of family. My job I hope, would be some sort of writer or sports player. To do this, I will need to do well at school and go to university. If I get a job and get

paid well I will use my money to buy a house, have pets and give the rest to charities. **By Beau Riddle**

I would like to be a sensible adult when I grow up because I would like to get work or study done and learn new things. A sensible adult goes and moves further on their life in a good way. To do this I will need to be a sensible teenager and concentrate on my work and study. I will also need to eat healthy vegetables. I really just need to believe in myself and say it over and over to make my dream come true. **By Sienna Van Den Ende**

Premiers Reading Challenge

We would like to congratulate the following students who have now completed their Premiers Reading Challenge:

Demi Linke, Billy Badenoch, Theodore Van den Ende, Jesse Duffield, Kael Sander, Archer McKellar, Armani Herbig, Annabelle Boland, Hamish Burns, Heath Fielding, Tyler Usher, Hamish Bailey, Astor Beurskens, William Burt, Evy Campbell, Lawson Elliot, William Faber-Paul, Mason Jones, Ayla Kalvas, Lief Ryks, Azzi Small, Amalie Stewart, Dante Stubbs, Evie Thyer, Jackson Van Dijk, Mia Walker, Jessica White, Joshua Zadow, Tyler Read, Hannah Innes, Jeremy Shephard, Isaac Blatchford

Attendance

We would like to remind families of the importance of notifying the school of your child’s absence. You are able to either ring the school on 8391 1194 or send a txt message to phone number: 0476857209 before 9am noting your child’s name, class, the absence date and absence reason. If it is likely that your child will have to take an extended leave of absence (5 days or more) it is necessary to apply for an exemption and liaise with your child’s class teacher so that their learning is not affected. Unexplained absences will be monitored and followed up as outlined in our Attendance Policy.

LITTLEHAMPTON PRIMARY SCHOOL OSHC
