Due to limited places for our Vacation Care program we are following the Priority of Access guidelines below.

**Priority of Access**

The Australian Government has determined Priority of Access Guidelines for allocating places in child care services. These guidelines set out the following three levels of priority:

**Priority 1**-a child at risk of serious abuse or neglect.

**Priority 2**-a child of a single parent who satisfies, or of parent’s who both satisfy, the work / training / study test under Section 14 of the Family Assistance Act.

**Priority 3**-any other child

**Please indicate in box which priority you fall in :**

Bookings for Priority 3 (non working) and Preschool children will only be confirmed once all bookings have been returned by Monday 13th September and will only be guaranteed a place on days where there is no waiting list at that time.

Please note: Outside School Hours Care & Vacation Care is primarily for school children and where sessions are booked out prior to Monday 13th September priority will be given to school children above children who have not yet started school (Preschool).

**Families of Priority 1 or 2 after Monday 13th September 2021 will not be given priority over children already booked in.**
