

To the Littlehampton Primary School Community,

Maria's Kitchen, a locally based catering business, is pleased to be offering lunches to the students and staff at Littlehampton Primary School.

Lunch ordering is done through a mobile app from your phone or tablet. On the app you will find an extensive menu to choose from and an easy-to-use checkout.

We have chosen the **QKR** (pronounced Quicker) app as it carries no added costs to our customers. Other apps charge a fee-per-transaction or require parents to maintain a minimum balance.

To use our online ordering system -

- Download to your phone or tablet the free **QKR by Mastercard** app from the App store, Google Play or where ever you normally acquire your apps.
- Follow the steps to Register
- Find our school. If you live within 6-10 kms, it will appear in "Nearby Locations". If not, search for Littlehampton Primary School.
- Register your children and add Student Profiles (Name, Year, Teacher)
- Add a payment card (Credit or Debit)
- Select a date to receive your order, available **Monday's** at Littlehampton.
- **Please note the cut off time of 4.00pm the afternoon prior.**
- Browse and select from the Maria's Kitchen Menu, then go to Checkout.
You will receive a receipt which can be found in "Activity" or in the drop down menu under "My Receipts".

Should you have any problems please do not hesitate to get in contact. If we cannot help, our **QKR** rep is more than happy to talk you through any issues.

Kind Regards,

Maria
